Welcome! Grace and peace to you all. Not only are those beautiful words but they are rich with meaning for the Christian. I am so very glad you are here and I hope you are too. Let's make it a wonderfully rich and encouraging day. Sing with gusto, pray with fervor, study with intent to grow, and greet everyone with God's wonderful love.

Remember at 5:00 tonight we will have classes and then right after we will have SOUP! Bring a friend.

Now on to the next! Next Sunday the elders have decided that we will move classes right after our worship time for that day. Then that night we hope folks will get together, in homes, here are the building, over a meal out - and enjoy some special time of fellowship. It will be a super day.
