✘ The Tie That Binds ✘ *by Dale Jenkins*

Good morning Family. What a blessing to be together each week to lift our voices and hearts to praise God. It is so simple, and Satan would love it to much, if we allowed our worship of the Almighty to become about us. Today our word is Holiness. I hope this word will live with you this week as you interact with others.

Class, classes, classy! Last Sunday evening, even with Spring Break raging, 297 were here for Bible classes. We've bumped up to 300 so many times lately. Let's make tonight the night. Not for the number (though that will be super great) but for that many folks coming together to study God's Word and encourage each other in that and in their lives. If you don't make Sunday nights a part of your week - give it a try tonight. Among several really great adult offerings right now let me highlight two. The One Year through the Bible class is wildly popular. It meets in the office and is fabulous. The other is the gymnasium class being taught right now by master teacher **Steve Peden**. He is really a great teacher. There are others (and they are great too) but just wanted to

introduce you to two to consider. See you at 5:00?

Great days coming! There are a lot of super days coming and we've highlighted a few of them the last few weeks but today I wanted to mention our **VBS**. It will be **June 25-28** and we will again try day and night classes! If you've not seen this, don't worry, I'd never heard of anyone doing it till we tried it last year. BUT it is so very good. And this year we will have an adult class at night with...are you ready for this...Daniel Hope! It will be super. Sign up at www.smcoc.net. Love you all!

**Today's word is
"Holiness."**
