HOME! What a special word. It's good to be home. Home from Africa - a surprise that I got home nearly 2 weeks early and in record time. But I'm home. Home from the hospital. As I write this Melanie and I are waiting for the good doc to come by and tell her she can go home. And while I've been home now for four days, I've not been to my house yet. I've been with Melanie, with family and that is home. Home. Might I add, here is Home. Paul wrote Ephesians to the Church in a pagan culture and said - you are now a part of a Family, a "household" (2:19). And someday we will go HOME where our whole Family will be together (Philippians 3:20). Yes, it's nice to be home. I've missed you and love you and thank you for your prayers.

Doug Bursleson was to be preaching today. I was so looking forward to him meeting Spring Meadows and Spring Meadows hearing him. But with me back and gone so much and with him gone too much from his Family we will both be preaching at home. We've already been working on when he will be back with us.

Next Sunday is going to be super special! We'll worship - I personally believe that is the highlight of the day - and then we will go the Baker's farm for our Fall Festival. The address is 2987 Jackson Road. Let's make this just an enjoyable time to get to know each other deeper and have a blast together! There will be stuff for everyone to enjoy together and you really need to be there.

One more time - it's good to be Home. I love you all.
